

Hi UCLA Students,

Think you're sly? Prove it at the The Google Games Los Angeles on Saturday, April 29th. This year's mission will ask you to embrace your inner super spy. Calling all agents to be stealth - don't blow your cover (don't get burned) and join us for this year's Google Games - shhhh! this information is confidential.

At The Google Games Los Angeles agents will compete against other students from UCLA, USC, and Caltech for victory in challenges that test your brains and creativity to the limit! It's a quest of fun as teams of five go head to head in rigorous events: trivia, puzzles, word association, and coding competitions. If you haven't caught on just yet, this year's theme is "**Top Secret Mission**" so make sure to throw on your best gear from your favorite spy lab and get ready for an action packed event!

**Here's what you'll need to do by Sunday, April 16th:**

- Assemble a team of five freshman, sophomore, and or/junior students from your school (having a CS background is strongly recommended).
- [Pick a team name and register here](#) (each team member must register individually).
- Check out the details and FAQs below

**FAQ**

**Q. Can we have fewer than five members on our team?**

A. We strongly recommend having the maximum number of members – any less and you'll lose your competitive edge.

**Q. Do you have to be a current student to participate?**

A. Yes, you must be a freshman, sophomore, or junior (first, second or third-year undergraduate student) currently enrolled at UCLA. Seniors and graduate students are not eligible to participate.

**Q. Can we replace a member before the start of the event?**

A. Sure. Just let us know via [googlegames@google.com](mailto:googlegames@google.com). Be sure to include: the full name and email of the new team member, the full name of who is being replaced, your school name and your team name.

**Q. Should our team wear costumes?**

A. Show your team's spirit however you choose: costumes, uniforms, team dance, team flag or poster, cheer, fight song, etc. A prize will be awarded to the team with the most spirit.

**Q. Will transportation be provided?**

A. We will be providing bus transportation from UCLA and USC, both buses will depart at 9:00AM. The UCLA pickup will be at the intersection of Westwood Plaza and Charles E. Young Drive North (make sure you are at North and not South!). The USC pick up will be at Webb Tower, 1015 West 34th Street. If you are driving, there is visitor parking available in front of the building. Please plan to carpool as visitor spots are limited.

**Q. Will food be provided?**

A. We will provide lunch, snacks and drinks. If you have any dietary restrictions, please note this in the form and we will be sure to accommodate you.

**Q. When will our team receive a confirmation about the Games?**

A. After the registration deadline, we will reach out to confirm team selection and provide more details. Not all registered teams will be selected due to space limitations.

**Q. Do I need to bring my own laptop?**

A. It will give your team a competitive advantage to have all members work from their own laptop in the challenges. If you don't have your own, see if you can borrow one from a friend. And don't forget the charger!

**Please direct all other questions to:** [googlegames@google.com](mailto:googlegames@google.com) and indicate which Google Games you are attending.
