

## Griffiss Institute Job Opportunity

We are pleased to announce that summer employment applications are currently being accepted at the Griffiss Institute for project work to be done for the Air Force Research Laboratory, Information Directorate, Rome NY.

The mission of the Information Directorate is to lead the discovery, development, and integration of affordable war fighting information technologies for our air, space and cyberspace force.

To help accomplish this mission, our primary areas of focus will involve those students pursuing degrees in the fields of Computer Science, Computer Engineering and Electrical Engineering. Individuals selected for the projects will work at state-of-the-art facilities alongside world-class scientists and engineers.

Applications will be accepted through February 24, 2012\*.

The 2012 application process for students is located on the Griffiss Institute website at:

[www.griffissinstitute.org/summerinternprogram.html](http://www.griffissinstitute.org/summerinternprogram.html)  
<<http://www.griffissinstitute.org/summerinternprogram.html>>

In order to apply, all students must:

- 1) Complete the application form and attach the required documents (i.e. resumes, transcripts) as indicated.
- 2) Send the completed form and attachments to the following email address:

[hr@griffissinstitute.org](mailto:hr@griffissinstitute.org) <<mailto:hr@griffissinstitute.org>>

All documents should be attached to one email transmission.

\* Applications received after that date may not receive consideration.

If you have any questions, please let me know.

Sincerely,

\*/Regan Johnson/\*

Director of Operations
